Campers were peaceful and cleaned up. The agitators about 150 of them were the biggest problem. They shouted at our officers, threw things at them and assaulted Brandland, Wubben and Starkovich. Arrests were made.

Once the lawn was clear of campers the agitators left.

FYI some campers went to Fraser st where Corey Hill has a camp.

I am so proud of the teamwork today. Thank you so much for the work you put in today. Each of you stepped up to help wherever needed. It was all hands on deck.

I'll thank WCSO, WSP AND Border Patrol for their assistance as well.

Unknown what tomorrow will bring but Kat and Travis are working feverishly on that end.

Stay tuned and stay safe,

Flo
