Thank you Ben. We appreciate the support and perhaps the group does not understand the scope of this disaster.

Subject: Farmworker housing to temporary flood shelter

It looks like I'm seeing a coordinated effort on Social Media to protest the use of Munger's Farm housing for Temp. flood housing. Please stand strong in this decision to use this resource as I believe it is a very good option. I strongly support your efforts and coordination on this issue. I see that opposition is planning on "taking over" the meeting tomorrow night to express their displeasure. Undoing this effort to house displaced people will only serve to further harm and divide our community. Please stand strong. I have your back.
